more about ... moon harbour inhouse volume 3:

ENGLISH:

The Inhouse compilations are special moments for Moon Harbour. Being more than just simply packed with new and exclusive tracks from Moon Harbour artists and friends, they are also landmarks which connect a contemporary sound with a look to the future by giving a mouth-watering taster of upcoming releases.

Two eventful years have passed since the last Inhouse-compilation: almost a dozen new EPs have been released and played relentlessly in clubs worldwide - releases by Moon Harbour residents Matthias Tanzmann, Marlow, Luna City Express and Dan Drastic, but also by Simon Flower, Miguel Toro, Gregor Tresher, Seuil and last but not least Martinez, who is set to influence the labels' profile more in the future. Moon Harbour has now become fully international, with its artists receiving global acclaim and booking for gigs far and wide.

In particular it is the label-head Matthias Tanzmann who has flown the Moon Harbour banner around the globe. Apart from spending nearly every weekend abroad spinning in his inimitable style, he also plays regularly in Ibiza, performed for the Goethe-Institut in China and Australia and also somehow found time to release his eagerly-awaited solo debut album "Restless" in spring 2008.

"Inhouse 3" ranges from classical house through to the current sound of the clubscene, in which the borders between techno, minimal and house are becoming more and more blurred. The compilation seamlessly combines tracks of friends of Moon Harbour like Boris Werner and Mathias Kaden, who have previously remixed for Moon Harbour before, artists like Martinez and Vera who are currently the labels' focus, newcomers Dan Drastic & Chris Lattner who are set to cause more sensation in the future, and last but not least: Matthias Tanzmann and Luna City Express - the central members of the Moon Harbour family.

"Inhouse Vol.3" is not only a gift for Moon Harbour fans, but as well for the label itself.

DEUTSCH:

Die Inhouse-Compilations sind besondere Momente für Moon Harbour. Einerseits sind sie gespickt mit exklusiven, neuen Tracks von Künstlern aus dem näheren und weiteren Label-Umfeld. Und zum anderen bilden sie den musikalischen Stand ab und kündigen gleichzeitig kommende Releases an.

Zwei ereignisreiche Jahre sind vergangen seit der letzten Inhouse-Compilation: knapp ein Dutzend neuer EPs eroberte die Tanzflächen vieler internationaler Clubs. Mit dabei waren die Moon Harbour-Residents Matthias Tanzmann, Marlow, Luna City Express und Dan Drastic ebenso wie neue und bekannte Gesichter aus aller Welt: Simon Flower, Miguel Toro, Gregor Tresher, Seuil und Martinez, der bereits das Profil des Labels mitprägt. Moon Harbour ist internationaler geworden. Die Artists spielen in zahlreichen Ländern. Ebenso international werden auch ihre Werke wahrgenommen. Insbesondere Label-Chef Matthias Tanzmann trug das Moon Harbour-Banner quasi einmal um den Globus. Für das Goethe-Institut bereiste er u.a. China und Australien, auf Ibiza spielt er regelmäßig und die restlichen Wochenenden ist er meist mit dem Flugzeug unterwegs. Im Frühjahr 2008 erschien zudem sein viel beachtetes Solo-Debüt-Album »Restless«.

»Inhouse Vol.3« spannt einen doppelten Bogen: zwischen klassischem House und den aktuellen Entwicklungen der Clubszene, in der die Grenzen zwischen Techno, Minimal und House immer fließender werden, und zwischen bekannten und befreundeten Moon Harbour-Künstlern. Während Boris Werner und Mathias Kaden als Remixer bei Moon Harbour vertreten waren, sind mit Martinez und Vera zwei spannende neue Künstler in den Label-Fokus gerückt. Und mit Dot, Dan Drastic und Chris Lattner sind drei Newcomer dabei, von denen demnächst sicherlich häufiger die Rede sein wird. Und nicht zu vergessen: Matthias Tanzmann und Luna City Express als zwei essentielle Bestandteile der Moon Harbour-Familie.

»Inhouse Vol.3« ist damit nicht nur ein Geschenk für Moon Harbour-Fans, sondern auch für das Label selbst.
