*\* exclusively produced for this compilation!*

*This compilation is also available on 2x12" Vinyl (mhr010-3), Barcode 807297426915*

## more about ... moon harbour recordings:

### **ENGLISH:**

The Inhouse compilations are special moments for Moon Harbour. Being more than just simply packed with new and exclusive tracks from Moon Harbour artists and friends, they are also landmarks which connect a contemporary sound with a look to the future by giving a mouth-watering taster of upcoming releases.

Two eventful years have passed since the last Inhouse-compilation: almost a dozen new EPs have been released and played relentlessly in clubs worldwide - releases by Moon Harbour residents Matthias Tanzmann, Marlow, Luna City Express and Dan Drastic, but also by Simon Flower, Miguel Toro, Gregor Tresher, Seuil and last but not least Martinez, who is set to influence the labels' profile more in the future. Moon Harbour has now become fully international, with its artists receiving global acclaim and booking for gigs far and wide.

In particular it is the label-head Matthias Tanzmann who has flown the Moon Harbour banner around the globe. Apart from spending nearly every weekend abroad spinning in his inimitable style, he also plays regularly in Ibiza, performed for the Goethe-Institut in China and Australia and also somehow found time to release his eagerly-awaited solo debut "Restless" in spring 2008.

"Inhouse Vol.3" ranges from classical house through to the current sound of the clubscene, in which the borders between techno, minimal and house are becoming more and more blurred. The compilation seamlessly combines tracks of friends of Moon Harbour like Boris Werner and Mathias Kaden, who have previously remixed for Moon Harbour before, artists like Martinez and Vera who are currently the labels' focus, newcomers Dan Drastic & Chris Lattner who are set to cause more sensation in the future, and last but not least: Matthias Tanzmann and Luna City Express - the central members of the Moon Harbour family.

"Inhouse Vol.3" is not only a gift for Moon Harbour fans, but as well for the label itself.

### **DEUTSCH:**

Die Inhouse-Compilations sind besondere Momente für Moon Harbour. Einerseits sind sie gespickt mit exklusiven, neuen Tracks von Künstlern aus dem näheren und weiteren Label-Umfeld. Und zum anderen bilden sie den musikalischen Stand ab und kündigen gleichzeitig kommende Releases an.

Zwei Jahre ereignisreiche sind vergangen seit der letzten Inhouse-Compilation: knapp ein Dutzend neuer EPs eroberte die Tanzflächen vieler internationaler Clubs. Mit dabei waren die Moon Harbour-Residents Matthias Tanzmann, Marlow, Luna City Express und Dan Drastic ebenso wie neue und bekannte Gesichter aus aller Welt: Simon Flower, Miguel Toro, Gregor Tresher, Seuil und Martinez, der künftig das Profil des Labels stärker mitprägen wird. Moon Harbour ist internationaler geworden. Die Artists spielen in zahlreichen Ländern, ebenso international werden auch ihre Tracks wahrgenommen.

Insbesondere Label-Chef Matthias Tanzmann trug das Moon Harbour-Banner quasi einmal um den Globus. Für das Goethe-Institut bereiste er u.a. China und Australien, auf Ibiza spielt er regelmäßig und die restlichen Wochenenden ist er meist mit dem Flugzeug unterwegs. Im Frühjahr 2008 erschien zudem sein viel beachtetes Solo-Debüt-Album "Restless".

"Inhouse Vol.3" spannt einen doppelten Bogen: zwischen klassischem House und den aktuellen Entwicklungen der Clubszene, in der die Grenzen zwischen Techno, Minimal und House immer fließender werden und zwischen bekannten und befreundeten Moon Harbour-Künstlern. Während Boris Werner und Mathias Kaden als Remixer bei Moon Harbour vertreten waren, sind mit Martinez und Vera zwei spannende neue Künstler in den Label-Fokus gerückt. Und mit dot sowie Dan Drastic & Chris Lattner sind drei Newcomer dabei, von denen demnächst sicherlich häufiger die Rede sein wird. Und nicht zu vergessen: Matthias Tanzmann und Luna City Express als zwei essentielle Bestandteile der Moon Harbour-Familie.

"Inhouse Vol.3" ist damit nicht nur ein Geschenk für Moon Harbour-Fans, sondern auch für das Label selbst.

## more about ... martinez:

### **ENGLISH:**

Martinez got into djing and producing of techno and house music already at an early age. His debut 12" was 2001 on the swedish label Deeplay Music, releases on the renowned Guidance Recordings in Chicago followed. In 2003 his "Skywalker EP" came out on Dessous Recordings and only one year later Martinez launched his own label Out of Orbit Recordings. In 2005 he released two tracks on the berlin based Get Physical label and one EP on Steve Bug's new imprint Audiomatique Recordings. In 2006 he launched a new label called Re:connected, an output for his more minimal and techno oriented productions. In October 2008 the EP "Momomowah" follows on Moon Harbour Recordings. Martinez also has great deck skills and this, along with impeccable taste, has given him a strong DJ reputation worldwide.
