

We are happy to present you the first issue of our monthly Moon Harbour radio show, hosted by Chris Lattner. Each month, the broadcast will be split into two parts. In the first, Chris will present you a selection of brand new material on Moon Harbour, Cargo Edition and some hot stuff of the Moon Harbour team's record boxes.

The second part will be an exclusive one-hour continuous mix from a Moon Harbour artist. The first one is from the host himself - Chris Lattner.

The next month will see the launch of Martinez new album "The Paradigm Shift", set to be released on Moon Harbour in mid- June. Martinez will step into the studio to provide us with the one-hour exclusive mix.

Tune in to hear the latest info from all Moon Harbour artists during the summer, at Sonar 2010 and during the Ibiza summer season. All dates and venues will be announced by Chris during the show.
