..... ENGLISH VERSION

House is back. Of course this music has not really been away, but for a couple of years the genre has clearly added some creativity and joy of play. You can convince yourself by listening to Vera Heindel from Frankfurt/Main, who has become famous as a producer, after being DJ in numerous important European clubs for several years. After releasing on the labels Oslo and Cyclical Tracks, her first solo EP now appears on Cargo Edition.

"People's House" reflects the elegance and the funk of House Music in its purest form, but without denying the influences of the current Club Music. "My little Disco" shows up with a similar affection. With a few concisely placed chords and samples, Vera puts a breeze of disco on the House Dancefloor -- very restrained and without any cheesiness, but with a small wink.

With the "Shakeyourbootymix" the disco reminiscence of "My Little Disco" becomes even more apparent and it makes the track perfect for building up an encouraging party at the same time. Finally, Rhadoo forms "My little Disco" from house to minimal. The young man from Bucharest is part of the successful Rumanian trio Arpiar - together with Raesh and Petre "Pedro" Inspirescu. With gracefully built sounds and an insistent bassline he accentuates selected elements of the original in a new way. The house vibe remains latently noticeable.

..... DEUTSCHE VERSION

House ist zurück. Natürlich war diese Musik nie wirklich weg, doch seit einigen Jahren hat das Genre deutlich an Kreativität und Spielfreude gewonnen. Davon überzeugen kann man sich auch bei Vera Heindel aus Frankfurt am Main, die nach vielen Jahren des Auflegens in nahezu allen wichtigen europäischen Clubs nun auch als Producerin immer stärker heraus sticht. Nach Veröffentlichungen auf den Labels Oslo und Cyclical Tracks folgt nun ihre erste EP auf Cargo Edition.

»People's House« spiegelt die Eleganz und den Funk von House in seiner Reinform bestens wieder, allerdings ohne die Einflüsse der gegenwärtigen Clubmusik zu verleugnen. Ähnlich sympathisch offenbart sich »My Little Disco«. Mit wenigen, dafür aber prägnant gesetzten Chords und Samples holt Vera einen Hauch von Disco auf die House- Tanzfläche – sehr dezent und ganz ohne Kitsch, dafür aber mit einem kleinen Augenzwinkern.

Im »Shakeyourbootymix« werden die Disco-Reminizesen von »My Little Disco« noch deutlicher und sie machen den Track zugleich perfekt für das Warm-up einer viel versprechenden Party. Von House zu Minimal formt Rhadoo »My Little Disco«. Der Bukarester formt gemeinsam mit Raresh und Petre "Pedro" Inspirescu das erfolgreiche rumänische Trio Arpiar. Mit feingliedrigen Sounds und einer eindringlichen Bassline akzentuiert er ausgewählte Elemente des Originals neu. Der House-Vibe bleibt latent spürbar.
