### ENGLISH:

Andi Numan, another newcomer of New Zealand origin, presents his ingenious take on house, fusing traditional acid and contemporary styles with ease. We are excited. This one goes out to everybody feeling tired with deep house, abandoned or stuck with techno, but still looking for the one beat, that rules them all.

Andi Numan studied various instruments like piano from a young age of three years. In the early Ninties he got sucked into the young electronic music scene, fell in love with analogue gear and started DJ-ing at open air events and abandoned warehouses. Today his productions are still influenced, he says, by these warehouse experiences, dirty cities and world travel and at the same time by fresh air, nature and meditation. Currently based in South-East Asia, Andi Numan keeps up to date with the spectrum of techno, in his own way. Welcome again to forward thinking underground House music.

This marks a small milestone as the 10th release of the label Curl Curl Music.

### Simon Flower (Pokerflat, Moon Harbour):

"Killer EP. Glass Roots is a acid epic for the modern age, Transitions is a deep house burner, and a top remix thrown in to boot. Full support."

### DEUTSCH:

Ein weiterer Newcomer neuseeländischer Herkunft, Andi Numan, wirft hier sein Groove-Verständnis in die Waagschale und wirft mit Leichtigkeit Gold mit einer Prise Acid unters Volk: Diese Tracks sind für alle Minimal Müden, Filterhouse-Adepten, und vom New Rave verlassenen.

Im Alter von drei Jahren begann Andi Numan mit Klavierunterricht und anderen Instrumenten. In den frühen Neunzigern zog es ihn dann zur elektronischen Musikszene hin, er verliebte sich in analoges Instrumente, und begann zaghaft auf Open Air Veranstaltungen und in Lagerhallen aufzulegen. Heute sind seine Produktionen immer noch von dieser Anfangszeit beeinflusst, sagt er, und außerdem von dreckigen Grosstädten und Weltreisen, aber genauso auch von Natur-Erfahrungen und Meditation. Momentan lebt Andi Numan in Südostasien, von wo er auf seine eigene Art mit dem aktuellen Technogeschehen in Verbindung bleibt.

Seine Glass Roots EP markiert gleichzeitig auch die zehnte Veröffentlichung auf Curl Curl Music.
