notes.

Born in Stockholm, Sweden 1985. Moved to a small village outside Stockholm at an early age. Both his parents are musicians, and almost everyone else in his family too. Got in touched with housemusic by his older cousin Jesper Dahlbäck and his album "Stockholm". Johns first track got released by Pawel Kobaks label Route 33 and the first 12" came out on the chicago-based label Deep4life. John has since then released records on many different labels around the world. John also runs his own label Dahlbäck Recordings with his older cousin.
