volume one

ENGLISH:

The first pure Moon Harbour compilation is completed. After four years and 15 releases it is now time to give a summary of the label work. Thirteen partially exclusive tracks were compiled and mixed by Marlow and are now going to be released as *Moon Harbour Inhouse Flights Volume One*.

Along with the CD the six new and exclusive tracks appear on two separately released 12 inch vinyls. The second Part of this edition is opened by Goldfish + Der Dulz from Bremen / Germany. With "Birthday Party" they tie up to their successful Moon Harbour debut "Supercolor" (MHR013). Two of Leipzig's most active and versatile producers, Frankman and Matthias Tanzmann, teamed up for the very first time to make their contribution to this sampler. The result of their collaboration is to be found on B1 of this record. Marlow, who was responsible for the dj-mix on the compilation's cd release, shows up with some new material as well. The instrumental version of "Dancando" not only shows another sample of his musical variety. It also provides an insight into the work on his debut album. As well as we did on part.one, we re-release one of the sold-out Moon Harbour classics on B2 of this record – "Overnight" by Hakan Lidbo.

DEUTSCH:

Die erste reine Moon-Harbour-Compilation ist da. Nach fünf Jahren Bestehen und 15 Releases heißt es Resumee zu ziehen. Dreizehn zum Teil exklusive Tracks wurden von Marlow unter dem Titel *Moon Harbour Inhouse Flights Volume One* zusammengestellt und für die Veröffentlichung auf CD gemixt.

Begleitend zur CD gibt es die sechs exklusiven Titel auf 2 separat ausgekoppelten 12"-Schallplatten. Der zweite Teil der Vinylausgabe wird von den Bremern Goldfish + Der Dulz eröffnet. Sie liefern mit "Birthday Party" den Nachschlag zu ihrem kürzlich erschienenen Moon Harbour Debüt "Supercolor" (MHR013). Zwei von Leipzigs aktivsten und umtriebigen Produzenten, Frankman und Matthias Tanzmann, sind anlässlich der anstehenden Moon Harbour Compilation das erste mal gemeinsam ins Studio gegangen und präsentieren auf der B1 der Platte das Ergebnis ihrer Kooperation. Und auch von Marlow, der das CD-Release der Label-compilation mixte, hören wir etwas neues. Seine Instrumentalversion von "Dancando" bietet gleichzeitig einen Einblick in die Arbeit an seinem Debütalbum. Ebenso wie beim Teil 1 veröffentlichen wir einen der ausverkauften Klassiker des Moon Harbour Katalogs nochmals auf Vinyl – "Overnight" von Håkan Lidbo!
