**ENGLISH:**

The New Moon Harbour release will be a surprise for a lot of electronic music fans. Gregor Tresher doesn't take the musical limits between Techno and House too serious. So he doesn't care about being one of Europe's best Techno producer and cooperate in the same moment with a house label. Tresher is very opened with Techno music since a few years. He has releases on Great Stuff and Rebel One, and became more interesting for the whole scene. Right now he is one of the best booked Artist in Europe. Treshers debut on Moon harbour shows his deep and minimal side as a musician. But beside that, he still sticks with "Break new soil" on his musical straightness to the dance floor. In nine minutes you hear a deep and always continuing energy, which fits to a straight rhythm and a reduced chord – perfect to introduce the prime time.

On the B – side you will find Daniel Stefanik with his musical skills. The "Break New Soil" Remix is light, casual and discreet with its vocals and melodies.

Altogether you get a strong release of Gregor Tresher, after his well criticized debut album »Å Thousand Nights« in autumn 2007.

DEUTSCH:

Für nicht wenige dürfte die neue Moon Harbour-Platte eine echte Überraschung sein. Denn wie kommt einer der besten europäischen Techno-Producer auf ein House-Label? Ganz einfach: Indem es jemand wie Gregor Tresher nicht so ernst mit scharfen Genre-Grenzen nimmt und einen ebenso zwingenden wie deepen Track produziert. Seit einigen Jahren bewegt sich Tresher auf einem weiten Techno-Terrain. Und mit Releases auf Intacto, Great Stuff und Rebel One ist er kontinuierlich nicht nur musikalisch immer interessanter geworden. Mittlerweile gehört er auch zu den am meist gefragten europäischen DJs und Live-Acts.

Sein Debüt auf Moon Harbour offenbart eine minimalere und zugleich deepere Seite. Nichtsdestotrotz ist »Break New Soil« ein gewohnt tighter Tresher-Track, der ohne Umwege auf die Tanzfläche zielt. Über neun Minuten hinweg wird eine dichte, immer wieder auflodernde Spannung erzeugt, die von seiner Rhythmik und einem reduzierten Chord getragen wird - perfekt zum Einläuten der Prime Time.

Auf der B-Seite kommt einmal mehr Daniel Stefanik zum Zuge. Sein Remix macht »Break New Soil« einerseits etwas lässiger und luftiger, zum anderen integriert er gekonnt sowie auf dezente Weise zusätzliche Vocal- und Melodie-Spuren. Insgesamt ein starkes Release von Gregor Tresher nach seinem vielfach gelobten Debüt-Album »Å Thousand Nights« vom Herbst 2007.
